SURESTART

ACCREDITATION AND ORGANISATIONS

CLIENT	Sure Start
DESIGN ENGINEER	Armstrong Taylor
CONTRACT VALUE	£75,000
CONTRACT PERIOD	20 weeks

DETAILS

The Sure start centre in Drumquin is a government run childcare and educational centre to provide assistance to families.

This centre required an internal refurbishment to sections of the building and a new balcony structure to the rear of the building.

HEALTH AND SAFETY CONSIDERATIONS

Particular attention to site security was paid on this project to prevent unauthorised access into the works area by the staff and children present during the construction period.
